

# RELATIONSHIPS

**Goal: Our Students will develop and maintain positive relationships using a variety of communication tools.**

**During the Month of November, Fox C-6 will be celebrating and supporting POSITIVE RELATIONSHIPS in our schools and buildings and around the District.**

We are excited to take the time to recognize the wonderful things that happen in our buildings and focus on the intrapersonal skills of our students.

We value our relationship with our students, families, and community. We believe that together, we can provide our students with the tools to be successful in whatever they choose to do. Thank you for being the cornerstone of the young people we have the privilege of serving everyday!

Thank you to the students, staff, administrators, and parents who co-authored the standards and objectives for our framework. A full copy of the framework can be found at [www.foxc6.org/Page/621](http://www.foxc6.org/Page/621)
