

Competency #5

April 2023

**APRIL
FRAMEWORK
FOCUS:**

SELF-AWARENESS

As we work with our families and students to encourage self-awareness during the month of April, we celebrate the wonderful young people that fill the halls of our Fox C-6 schools.

Treating others with kindness, responding appropriately to social cues, practicing digital citizenship, acting with kindness and integrity, and understanding what makes us unique are just a few of the skills in our April Framework Focus.

Thank you for your continued support as we "celebrate and support" the skills to help our children be successful today and in their future.

**GOAL: OUR STUDENTS WILL APPRECIATE
AND RESPECT THE DIFFERENCES IN OTHERS
AND ENGAGE IN PRACTICES TO BE
CONTRIBUTING MEMBERS OF THEIR
COMMUNITY.**
