Life and Disability Plans

Fox C-6 School District offers an array of Life and Disability plans that are employer paid and employee paid. When used in the right combination, it can protect your income should the unexpected happen.

Welcome to your 2024 Benefits Program

Where you live, learn, work and play, you are at your best when you take care of yourself. That means different things to different people, such as staying fit, eating right, relaxing or doing the things you love to do. When it comes to your benefits, however, taking care of yourself and your family starts with one thing...taking the time to enroll in the options that are right for you.

Consider your needs for 2024

Taking time to “do the math” may result in hundreds if not thousands of dollars of savings and benefits. Start by asking yourself these questions.

Do I have access to other group medical insurance? If yes, review and compare your Fox C-6 School District medical insurance options and employee contributions to that of any other group medical insurance you may have access to. Keep in mind that plan limitations can and do limit the amount of coordination between plans.

Do I have enough health, life insurance and disability insurance to protect my family in the event of the unexpected? Not sure? Then use the tools and resources available to you to compare your options and determine which coverage is right for you.

Invest some time, get the right benefits

Spend some time reviewing this expanded e-guide. Think of it as the smart store specialist who summarizes the key product features, asks probing questions, and offers you advice as you make your decisions.

As you review this expanded e-guide, note the DOLLARS and CENTS sidebars highlighted by  for tips to help you get the most out of your benefits throughout the year.

Prescription Drugs

Anthem Blue Cross has a formulary list of approved and preferred prescription drugs. The formulary is separated into four levels which include Generic, Preferred Brand, Non-Preferred and Specialty (brand and generic). To find out where your medication falls under the formulary list, please visit Anthem's website at www.anthem.com or call Member Services. Anthem members can save money by requesting generic medications which will have the lowest copayment under the medical plan. For those members who are taking everyday maintenance drugs, you can save even more when you order your prescription drugs through Anthem's MAIL ORDER PROGRAM. Ordering prescription refills is a safe and convenient way to obtain medications you take daily for a long period of time because you get a 90-day supply of medication for less money. Anthem Blue Cross members can order refill by mail, phone or at www.anthem.com.

Fill prescriptions with drugs on the formulary

A formulary is a list of generic and brand-name drugs that are approved by the Food and Drug Administration (FDA) and are covered under your prescription drug plan. Be sure to check if your drug is listed on the formulary before you fill it. If it isn't, you'll pay more for your drug. You can access your plan's formulary by checking with Anthem Blue Cross; you can find contact information above.

Go Generic!

Generic drugs meet the same standards as brand-name drugs, but they can cost much less. Ask your doctor if a generic is available.

Healthcare Savings Account (HSA)

A Closer Look at the Health Savings Account (HSA)

If you enroll in the qualified HDHP (High Deductible Health Plan) Medical Plan you will have access to a Health Savings Account (HSA). This is a tax-advantaged savings account that's partially funded by Fox C-6 School District and you may also make contributions. Funds are deposited, then grow (if a minimum \$1,000 balance is maintained) and are available tax-free – and if you leave Fox C-6 School District, they go with you! Only participants in the HDHP medical plan can open this account. You own the account, and the money can be used for you and your dependents today or for future eligible healthcare expenses— even in retirement.

Here are some key features of the HSA:

- All money in the account is tax-free (including interest and investment earnings) when used to pay eligible healthcare expenses.
- You can contribute to the account to help cover your out-of-pocket medical expenses. The funding is yours to keep in your HSA until you need it. The 2024 HSA contribution limits are \$4,150 for individual coverage and \$8,300 for family coverage.
- Once you reach age 55, you may contribute an additional \$1,000 above the IRS maximum, for a total allowable account contribution of \$5,150 for individual coverage and \$9,300 for family in 2024.
- The catch-up amount applies separately to each HSA account holder. If both the employee and spouse are eligible to make catch up contributions, each must make the catch-up contribution to his/her own account. (There are no joint HSA accounts.)
- If you don't spend your full HSA balance during the current year, the unused money rolls forward to each following year.

HSA: Things You Should Know

- You are only eligible for the HSA when you enroll in the High Deductible Health Plan (HDHP).
- If you elect the HDHP, you are not eligible for the Healthcare Flexible Spending Account (FSA).
- If you are enrolling in the HDHP for 2024, you will receive a welcome kit from Actwise that provides account information. The kit will be mailed shortly after annual enrollment has ended.
- Investment options are available for individuals with cash balances over \$1,000 and balances under \$1,000 earn interest.

Flexible Spending Account (FSAs)

Healthcare Flexible Spending Account (FSA)

Fox C-6 School District offers a Healthcare Flexible Spending Account (FSA) through ASI Flex. The Health FSA significantly reduces your taxes and increases your take home pay by allowing you to pay for qualified healthcare expenses for you and IRS-qualified dependents during the benefit plan year. The FSA benefit plan year runs from October 1, 2024 to September 30, 2025.

If you are enrolled in 2023, you will have until December 15, 2024 to use the remaining funds in your account. Any unused 2023 FSA balances will be forfeited after December 15, 2024. You will have until December 31, 2024 to submit any claims incurred on or prior to December 15, 2024. For any mid-year terminations, if COBRA continuation is not elected, expenses incurred after the last day of the month in which you terminate will not be reimbursed and any remaining balance may be forfeited. Claims for eligible expenses must be submitted to ASI Flex by December 31 of the following year after your plan termination.

You can elect to contribute any amount up to a maximum of \$3,200* for the 2024 plan year. Your annual amount is divided by the remaining pay periods in the year. There are 18 pay periods during the calendar year. **You must re-enroll every year if you want to continue coverage.** Once you make your benefit elections, you are not allowed to make any contribution changes unless you experience a Qualified Status Change.

***Participants are NOT eligible if they are enrolled in the HDHP HSA Plan.**

What is an Eligible Expense?

Eligible expenses include medical, dental, and vision out-of-pocket expenses. They include copayments, deductibles, coinsurance payments, prescription drug costs, and additional prescribed medical supplies and services. A full list of eligible expenses is available online on the IRS Publication 502 at www.irs.gov/publications/p502/index.html.

How Do I Use My Funds?

When you enroll in the Healthcare FSA, you will be provided with a Debit Card. Using the Debit Card is simple: you simply swipe your card at point of purchase using the credit feature, and no "pin" will be required. The card is recognized nationwide at qualified healthcare merchants who accept MasterCard. Expenses can also be reimbursed after claims are submitted to the carrier for processing.

2024 FSA run out period – The time period you have to submit any claims incurred between 10/1/2024 – 12/15/2024. Members have until 12/31/2024 to submit these claims.

Life and Disability Plan Overview

Most of us rely on our paycheck to cover bills and everyday expenses. But what if you became sick or injured tomorrow? Could you afford to go a few months or even a few weeks without a paycheck? If you were to die prematurely, would your family have enough money to cover their expenses? For many of us, the answer is “no.” That’s where income protection benefits come into play.

Coverage for the unexpected

Fox C-6 School District is pleased to offer an array of plans that, when used in the right combination for your personal situation, can protect your income should the unexpected happen.

\$ Don't think you need disability insurance? Think again.

Unfortunately some people don't enroll in disability coverage because they don't understand the value of the coverage. Health coverage can help pay for some of the medical expenses, but who will make the house payment if you are totally disabled and can't work? The value of disability coverage is that it provides you with a percentage of your paycheck when you can't work due to illness, injury or pregnancy. Disability payments can help you take care of essentials like housing, utilities, food and child care provider.

Voya Voluntary Benefits Include

Accident Insurance

Accident Insurance pays you benefits for specific injuries and events resulting from a covered accident that occurs while you are not at work, on or after your coverage effective date. Critical Illness Insurance pays a lump-sum benefit if you are diagnosed with a covered illness or condition on or after your coverage effective date. Your employer offers Critical Illness Insurance to meet your needs. Critical Illness Insurance is a limited benefit policy.

Legal Notices

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan. Therefore, the following deductibles and coinsurance apply: plan deductible may apply as shown on page 5. If you would like more information on WHCRA benefits, call your plan administrator Anthem at **844.861.7833**.

WHCRA Annual Notice

Do you know that your plan, as required by the Women's Health and Cancer Rights Act of 1998, provides benefits for mastectomy-related services including all stages of reconstruction and surgery to achieve symmetry between the breasts, prostheses, and complications resulting from a mastectomy, including lymphedema? Call your plan administrator, Anthem, at **844.861.7833** for more information.

Newborns' Act Disclosure

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

Important Notice from Fox C-6 About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Fox C-6 and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

Legal Notices

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Fox C-6 has determined that the prescription drug coverage offered by the [Insert Name of Plan] is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current Fox C-6 coverage will be affected. See pages 7- 9 of the CMS Disclosure of Creditable Coverage To Medicare Part D Eligible Individuals Guidance (available at <http://www.cms.hhs.gov/CreditableCoverage/>), which outlines the prescription drug plan provisions/options that Medicare eligible individuals may have available to them when they become eligible for Medicare Part D.

If you do decide to join a Medicare drug plan and drop your current Fox C-6 coverage, be aware that you and your dependents may not be able to get this coverage back.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with Fox C-6 and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information About This Notice Or Your Current Prescription Drug Coverage...

Contact Anthem for further information at **844.861.7833**. NOTE: You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through Fox C-6 changes. You also may request a copy of this notice at any time.

Special Enrollment Notice

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a state listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are **not** currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **877.KIDS.NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **866.444.EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2024. Contact your state for more information on eligibility.
